

Diversity is the hallmark of our Mother Spirit of Nebadon.

Bilocation to Hitler's Eagle's Nest in Austria on 23 September 2017.

Session nr 14 of 27 October 2017 -English translation- Original Dutch.

Place: Mezza Verde in Spain.

Participants : **Archangel of Michael - Jophiel – Uriel – Raphael and Christ Michael.**

Messenger: **Archangel of Michael.**

Note Wivine: It is only now that I have received permission to place this experience on the web.

Hereafter our experiences and received messages:

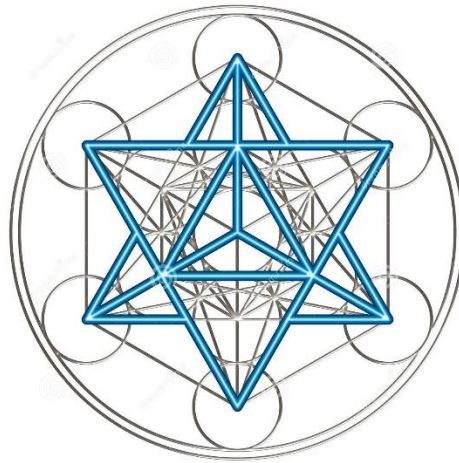

I projected myself at the agreed time to the place we would come together. Once there, I saw many of you arriving.

Then came the Archangels with other very Highly Ranked Angels. I know it because I was told. Not because they had beautiful wings. I saw shapes with a lot of lights turning around them, but that wasn't enough to identify them.

Archangel Michael was presented as the one who would lead the operations. It was a job that would be performed by the **Archangels** and **Jesus**. We all received from Archangel Michael a kind of small "Light sword", and he placed us in a circle.

There was so much 'Light' with these Angels that I couldn't tell them apart, but I was well aware of their presence.

Then I received an image of "Metatron", which I knew from the internet with his geometric logo that is characteristic for him, namely the "Metatron cube". See below.

The center of the Metatron cube (*on the right*) that they would form was situated

above Hitler's 'Eagle's Nest'

Kehlsteinhaus.

We were first taken above Kehlsteinhaus and pulled upward. We were still positioned in a circle with our "Light swords" directed towards the middle and had to keep our positions.

Then they did something out of which came a massive "ball of light", bigger than the mountain and much higher.

Then Jesus came and went into the middle of this huge "ball of light" to come out shortly after.

And of course, what was there as darkness had to come out: many fallen angels, but also "morontia creatures" that were part of the personal (human) corporeal Staff of Caligastia- our former planetary Prince and Satan's friend.

When everything was released of all underground passages, an Archangelic **light** was projected into them which dispersed at full speed through every nook and cranny of the European map. I couldn't keep up, but what I've seen, is that it reached Rome and that another Light Ray crossed the middle of Italy until the end of the 'boot'.

I don't remember that we have been in the underground tunnels. But this does not mean that we did not go.

They then showed me a map of Europe to see where the 6 main points of the Metatron cube were situated: Ukraine, Italy, Germany, France, Poland, Romania, with many intersections in Central and Eastern Europe. Everything was lit up like a Christmas tree.

Then I received the following message that shook me a bit.

Archangel Michael here: *"The Hitlerian thoughtform (egregore) is destroyed. The "false thought" that there was a high race (superhuman), called the Aryan race with white skin, blond hair and blue eyes is destroyed. It was a "thoughtform" that emerged in various race doctrines 200 years ago and reached his peak at the end of the 20th century and early 21st century. It still circulates in the occult sciences and movements, in the teachings of Blavatsky, Rudolf Steiner and the Theosophy, and showed its ugliest face with Nazism. It also seeped in the Urantia book as that kind of thinking was dear to the academic white Anglo-Saxon elite of the United States of that time. (They were very interested in the science of eugenics – now a forbidden science).*

This thoughtform (egregore) and all its derivatives are now destroyed.

*Be aware that there were already white populations on earth before the arrival of **Adam and Eve** and your archaeologists will reveal it one day. There is a lot about the history and development of earth's populations which has not been disclosed.*

'Man' is now free to cuddle and love one another, knowing they all have the same Celestial Father.

There is no need to have a complete ethnic mix to reach this nor to have a single world religion.

*Diversity is the hallmark of our **Mother Spirit of Neadon**.*

Those who know God recognize the presence of the Divine Spirit in each and have consideration for the way in which each person honors God and respect their fellowmen.

Men and women were created as equal complements in order to give birth to God's children; to form a family that knows God, which is the Foundation of all high-quality civilizations. God has delegated this responsibility to men and women to educate 'His children', to create souls who know God and love their brethren.

Over the millennia, there were several high level technological civilizations that diverted from God and destroyed the principle of the 'family' by genetic manipulation and the administration of chemicals to transform gender. There is nothing new under the sun on your planet. What is happening now is the reapplication of Lucifer's old technologies and ideas. However, it will stop here, because the 'evil' that was feeding these ideas is now demolished and has been replaced by Divine Light.

End '.

Then we were brought to Barcelona, to the column of Christopher Columbus. This came as a surprise.

We have created a simple Paradise Light anchor here with Jesus and the Archangels.

From this anchor a ray of light was directed to the small town of Zarautz, not far from San Sebastian (*Spain*) and a ray to the city of Hendaye (*France*).

We made in 2011 a Melchizedek journey with a big group (many cars) in France and Spain where we created in various designated places a "normal light anchor". Hendaye and Zarautz were among them.

We then created over these ancient "light anchors" of Zarautz and Hendaye 'simple Paradise Light Anchors'.

The connections between the Paradise Light Anchors of Barcelona, Zarautz and Hendaye illuminated all the Pyrenees as well as a large area along the Pyrenees on the Spanish and French side.

Then I was told the following:

Archangel Michael here:

" This region from the Atlantic to the Mediterranean, on both sides of the Pyrenean mountains will become the biggest spiritual center of southern Europe where the Melchizedeks will be very active. This region will experience an economic boom and will form a spiritual unit. The former area of the Cathars in France will know a new lease of life. The ports of San Sebastián, Bordeaux and Barcelona will know a huge economic, cultural and spiritual bloom.

The Netherlands will become a spiritual center and a beacon of light for Northern Europe and here too the Melchizedeks will be very active. "

END.
